

MONTE 33

Type: 2 bedrooms, 1 living room, Loggia, open kitchen, 1 bathroom. Floor space: approx. 80m². Starting at € 95 per night. Accommodates: 2 to 6 guests.

Monte 33, which offers about 80 square meters of floor space is located on the "peak" of Miraflores and has to be accessed by three staircases.

However, the climb is definitely worth it, since only Monte Miraflores will offer you not only the standard exclusive amenities but also breathtaking panoramic views to the south across the Mediterranean Sea in the direction of Morocco and to the north in the direction of the Mijas mountain ranges.

Monte offers you access to the largest pool at Miraflores with a fenced pool as well as a pool bar, which is managed by Pepe since 20 years offering daily alternating Mediterranean fish dishes from the end of March through the End of October.
